

# Board of Education Capital Plan FY17-FY21

**PROJECT TITLE:** (20) Cafeteria Tables TIS

**DATE SUBMITTED:** 10/5/2015

## DEPARTMENT PROJECT INFORMATION

Department: **Facilities**

Department Contact: **Peter Sztaba**

Fiscal Year(s) Requested: **FY12017** **FY2018** **FY2019** **FY2020** **FY2021**

Department Priority: **Critical** **High** **Medium** **Low**

Type of Project: **Vehicle** **Equipment** **Technology** **Facility** **Other**

## PROJECT DESCRIPTION

The cafeteria tables at Tolland Intermediate School are at the end of their useful life. There are issues with the center latches that keep them from flipping up in the middle. There is delamination on many of the edges. Much of the hardware is beyond its useful life and the tables have a press board center making it difficult to re-fasten hardware. With the delamination issues the tables are becoming less and less sanitary and are beginning to become a safety issue. Twenty tables would need to be replaced in the cafeteria.

Estimate from School Fix vendor with two options:

1. Convertible benches that could be used as cafeteria tables and seating for APR-\$30, 270
2. Traditional 12' table, rectangular style, powder coated frame, with plywood core(not press board)-\$27,000

## PROJECT NEED

Impact on Department if Recommended or Not Recommended: safety issues, parts no longer available, health risks with delamination of formica tops and edging deteriorated. Increase seating for APR with convertible bench. Quicker set-up for APR events.

Cost to Maintain: Preventative maintenance-lubrication, greasing of tables, and sanitizing

Describe all Benefits and/or Savings: child safety, increase capacity for seating in APR, quick set-up for APR events
